

Welcome  
To Our  
Wedding Service

*We are honored to have you  
as our guests today to share these happy  
and sacred moments with us. May the blessing of the  
Lord be upon us as we worship together.*

*It is our desire that Christ shall be honored,  
not only in this ceremony, but in the years to come.  
We want Him to be the head of our home and  
the Lord of our lives.*
