Dearest Family and Friends,

You have honored us with your presence today. The friendship, laughter, shoulders to cry on, and hands to hold that each of you have provided has enriched our lives. We would not be who we are today without you. As you have helped us grow as individuals, from this day forward we ask for your support and guidance as we grow together. May God bless you and keep you. Thank you for sharing in this very special day.

Dearest Mom and Dad,

Your love and caring goes beyond any we have ever seen. Who we have become, what we believe, and our ability to look towards a wonderful future together have all come from you. As we begin our lives together as husband and wife, we look forward to the day when we will have children to call us mother and father so that we may have a chance to work the magic in their lives as you have done in ours. You have blessed us in ways we cannot find words to express. Through your lives you have given us extraordinary examples of how to live, love, forgive, forget, and to go on. Through your lives you have given us all you could, and then, amazingly, more. May God always watch over you, keep you, and bring you joy. Thank you so very much for making this day possible. We love you with all our hearts.

Love Always,

Jane Ann and John David
